Enjoy your stay and don't panic. We have taken all of the necessary precautions recommended by the CDC to disinfect and keep our property squeaky clean....

HYGIENE:

- ✓ Wash your hands with soap and water regularly, and use hand sanitizer.
- ✓ Cover your nose and mouth when sneezing in a tissue.
- ✓ Don't touch your face, nose or mouth when your hands are not clean.

PHYSICAL CONTACT:

- ✓ Minimize physical contacts such as handshakes and hugs.
- ✓ Avoid contact with people who are unwell.
- ✓ Avoid crowded places and traveling on public transportation if you are sick

DISINFECT FREQUENTLY TOUCHED SURFACES OFTEN:

- ✓ Although the home was thoroughly cleaned, when surfaces get dirty, clean them.
- ✓ Use detergent or soap and water prior to disinfection.
- ✓ After cleaning, be sure to use a household disinfectant.
- ✓ Most common EPA-registered household disinfectants will work.
- ✓ This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sink.

OTHER:

- ✓ Wash laundry in hot water in sanitation mode, if available.
- ✓ Open windows to allow air circulation.

Be safe, stay healthy and have a wonderful vacation!
